

Bay Watershed Education Training

Sustainable Agriculture Practices Workshop

From the forest, rangeland and cropland to the sea

*Sponsored by Cal Poly State University
at Swanton Pacific Ranch*

Welcoming agriculture producers, planners,
agency professionals and college students.

Join us August 2nd - 6th

Increase your understanding of watershed-based
water quality monitoring and land management
techniques.

Sustainable agriculture practices will be examined in:

- ~ Selection forest management
- ~ Planned rotational livestock management
- ~ Irrigated crop management

\$125 Professionals / \$70 students

Includes 5 day workshop; professional tools,
field-based training, GIS/GPS applications,
CEUs, lunches and closing-day barbeque.

Space is Limited!

Register online at <http://www.spranch.org/workshops.ldml>
or call Susan Burgess at (831) 458-5412

Continuing Education Units Available!

*Supported by a grant from
NOS-NOAA and the Monterey Bay National Marine Sanctuary BWET project*
