Re: President's Special Acknowledgement Award – Property/Liability Program

Dear Mr. McKenna,

This letter and enclosed certificate are to formally acknowledge the dedicated efforts of the Resource Conservation District of Santa Cruz County's Governing Body, management, and staff towards proactive risk management and loss prevention training for earning the President's Special Acknowledgement Award! The Award is to recognize members with no "paid" claims during the prior **five consecutive program years** in the Property/Liability Program.

A "paid" claim for the purposes of this recognition represents the first payment on an open claim during the prior program year and excludes property claims. Your agency's efforts have resulted in no "paid" property/liability claims for the prior five consecutive program years from 2018-23. This is an outstanding accomplishment that serves as an example for all SDRMA members!

In addition to this annual recognition, members with no "paid" claims during 2022-23 earned one credit incentive point (CIP) reducing their annual contribution amount, and members with no "paid" claims for the prior 5 consecutive program years earned three additional bonus CIPs.

On behalf of the SDRMA Board of Directors and staff, it is my honor to congratulate your Governing Body, management, and staff for your commitment to proactive risk management and loss prevention training.

Sincerely,
Special District Risk Management Authority

Sandy A. Seifert-Raffelson, President
Board of Directors

Re: President's Special Acknowledgement Award - Workers' Compensation Program

Dear Mr. McKenna,

This letter and enclosed certificate are to formally acknowledge the dedicated efforts of the Resource Conservation District of Santa Cruz County's Governing Body, management, and staff towards proactive loss prevention and workplace safety for earning the President's Special Acknowledgement Award! The Award is to recognize members with no "paid" claims during the prior **five consecutive program years** in the Workers' Compensation Program.

A "paid" claim for the purposes of this recognition represents the first payment on an open claim during the prior program year. Your agency's efforts have resulted in no "paid" workers' compensation claims for the prior five consecutive program years from 2018-23. This is an outstanding accomplishment that serves as an example for all SDRMA members!

In addition to this annual recognition, members with no "paid" claims during 2022-23 earned one credit incentive point (CIP) reducing their annual contribution amount, and members with no "paid" claims for the prior five consecutive program years earned three additional bonus CIPs. Also, members without claims receive a lower "experience modification factor" (EMOD), which also reduces their annual contribution amount.

On behalf of the SDRMA Board of Directors and staff, it is my privilege to congratulate your Governing Body, management, and staff for your commitment to proactive loss prevention and safety in the workplace.

Sincerely,
Special District Risk Management Authority
