WELCOME - INTRODUCTIONS
The meeting opened at 6:33PM with a quorum present. Jim McKenna chaired the meeting.

ORAL COMMUNICATIONS
Betty Henri-Ellsworth reminded the Board that she is still interested in finding a way to preserve her 32 acres in perpetuity. Donna Meyers visited the property and has been in communication with Ms Henri-Ellsworth to find a way that the District or another organization might be able to assist her. She shared some of the history and a stylized drawing of the property.
(Ms Henri-Ellsworth left the meeting)

REPORTS
Staff Reports
Susan Pearce introduced Ross McClenahan of Tree Top Web Design. Mr McClenahan has been working with staff to redesign the website. He then gave a tour of the new website. The Board was impressed with the simplicity and easy, intuitive navigation through the site. The website will be launched in early February.
(Ms Tobisch left the meeting)
Susan gave a brief staff update. She told the Board that there are 13 to 14 Partners in Restoration projects slated for next construction season. In addition staff is working with Donna Meyers to create a three year business plan. She also noted that the District and NRCS would be hosting the Blue Circle Meeting February 12 at the UCSC Arboretum.
(Mr McClenahan and Ms Pearce left the meeting)

NRCS Reports
Rich Casale introduced April Jernberg to the Board. She was hired in December to replace Angie Quintana-Jones. April will be in the office three days a week and in Salinas and San Mateo County the rest of the week. In addition, Daniel Little has been hired as the new engineer and started earlier in the week; he replaces Bruce Quintana-Jones. He will be in the office three days a week and Half-Moon Bay the rest of the week. Rich then highlighted items from the Activity Report. He mentioned that the State Conservationist, Carlos Suarez, will be visiting the area February 11-13 and encouraged the District to meet with him while he is in the area. Rich said that there has been much discussion about the drought and he

ACTION ITEMS
Program Discussion Items

Resolution 2014-01 – Tangi Chapman presented the Board with Resolution 2014-01 which gives Board consent to apply for grant funds available through CalRecycle as well as to authorize the Board President or designee to sign the application. John Ricker moved approval of Resolution 2014-01. Gordon Claassen seconded the motion. All were in favor of the motion. The motion carries.

Resolution 2014-02 – Tangi Chapman presented the Board with Resolution 2014-02 which gives Board consent to apply for grant funds with the California State Wildlife Conservation Board as well as to authorize the Board President or designee to sign the application. Gordon Claassen moved approval of Resolution 2014-02. John Ricker seconded the motion. All were in favor of the motion. The motion carries.

Contractor Prepayment – Sharon Corkrean, Karen Christensen and the Board discussed the issue of contractor prepayment. After discussion the Board felt that the current policy adequately handles contractor payment and that the District should continue to hold payment to contractors until the District has been paid for their work by the funder. The Board suggested that when contracting on Department of Water Resources funds the contracts should be clear that payment could take 180 days. This way the contractor understands up front the wait time for payment.
