The North Rispin Property Covenant and Restrictions Check List was reviewed by the Board. Angie Gruys who conducted the inspection of the property was present at the meeting. She gave a report of her findings, including that there were signs of homeless activity on the property. The Board directed Angie to include this activity in the Covenant and Restrictions check list report. The Board requested that staff investigate whether this inspection is still being required of the District. Additionally, they requested staff to circulate the easement documents for the Board to review. 6.2. Review and consider approval of a Cost of Living Adjustment
Lisa circulated the San Francisco Bay Area Consumer Price Index bulletin for 2018. The CPI for our area was reported at 4.5%.
