Put Your Money to Work for Local Resource Conservation

The Resource Conservation District of Santa Cruz County is primarily funded by grants and contracts with public and non-public entities. Private donations help to further the mission of the RCD and can be targeted toward your area of interest.

The RCD can receive tax deductible donations under Internal Revenue Service Code Section 170 (b) and 170 (c) (1). This section says that contributions to a governmental entity are deductible (up to 50% of the taxpayer's adjusted gross income). The RCD may accept all forms of contributions including, but not limited to, gifts, property, cash, stocks and securities. Feel free to contact us with any questions at (831) 464-2950 or info@rcdsantacruz.org.

The RCD offers outreach and education, on-site technical help, permitting assistance, and cost-share in each of the program areas. For a detailed description of each program, please visit our web site at www.rcdsantacruz.org. All services are dependent on available funding.
